

Objective: Students will be able to visualize life in the 19th century within the Elias Baker family of Blair County.

PA Standards:

Resources: *A Day in the Life of Baker Mansion* (DVD); period clothing and games (optional)

Procedure:

1. View the video *A Day in the Life of Baker Mansion* in segments as determined after teacher preview.
2. Have students each prepare one question for class discussion after viewing each segment.
3. Students may dress in clothing from the trunk as depicted in the video and even write original scripts to be acted out by costumed students.
4. Games may be incorporated in this lesson as well.

Evaluation: Student participation in the activities.
