## HISTORIC PLAQUE APPLICATION

The Blair County Historical Society has established an Historical Commission to document structures in Blair County worthy of a Historical Plaque. To be eligible, the structure must be at least 75 years old, have approximately 75% of its original exterior and be located in Blair County, Pennsylvania.

For a structure to be listed as historic, an owner may purchase a plaque identifying the house or building or site as historic with the date of construction. If the exact year of construction is not known, the word "CIRCA" will be used on the plaque in place of "BUILT".

The lacquered plaque is made of bronze, painted with a brown background with raised lettering and border in polished bronze. The plaque (approximate weight: 5 lbs) is an 9 x 6 inch oval, pre-drilled for mounting on wood or made for rear mounting on concrete/brick with hardware included. The cost of this plaque is \$285.

For consistency with other houses, and so the plaques are easily recognized, orders *MUST* include the following information. Plaques may be purchased from the Blair County Historical Society by check, credit card, or PayPal.
